About Barnston Court

We understand that choosing the right home isn't easy. There's often so much to think about and decisions to make, that at times it can feel overwhelming.

We work hard to make sure our residents feel, safe, happy and secure. We want our home to be their home and our personalised approach focuses on providing every resident with privacy, independence, dignity and choice so, whether you are looking for short or longer-term care you can be assured of a true home from home; you or your loved one will become part of our family.

Life in our Home

Barnston Court Care Home is a warm and welcoming home which specialises in providing nursing care for up to 30 older people with complex care needs.

Situated in lovely residential area of Moreton, the home has lots of communal areas for residents to relax and enjoy the company of family and friends, including a large lounge area and dining room. There is a conservatory overlooking the beautiful landscaped garden which many of the residents enjoy helping to maintain.

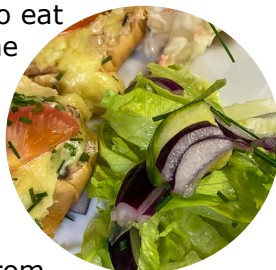

The bedrooms are spacious, many with en-suite facilities. We encourage residents to personalise their rooms to make them feel more at home.

Dining with us

Mealtimes represent an important part of the day and a great social occasion. At Barnston Court we work to ensure they are as enjoyable as possible, unhurried and relaxed, with everyone being given plenty of time to eat and enjoy their meal while chatting and enjoying the company of friends.

Our chef team use fresh ingredients, locally sourced wherever possible, to provide delicious, nutritionally balanced, seasonal meals.

Residents always have multiple options to choose from at all meal times and can opt for something different if they change their minds when the food arrives.

Leading Happy and Fulfilled Lives

At Barnston Court, we want residents to live happy and fulfilled lives. By getting to know residents, our dedicated activities coordinator offers an extensive programme of activities and events, providing sensory stimulation through group activities and one to one sessions, that meet their different passions and interests.

“My mum has resided at Barnston Court for just over one year and she is looked after so well there. All the staff genuinely care for the residents and treat them with respect. I couldn't be happier with the level of love, support, care, thoughtfulness and the all-round desire to help each and every person living at Barnston Court.”

Our Commitment to our team

All of our team members are passionate about caring for others and making a difference. Putting others first is second nature to them; they love building close relationships with residents and putting themselves in their shoes so they can provide the best person-centred care possible.

Our people are qualified to deliver the highest standards of care and our tailored training programmes, together with the mentoring support we provide, allows us to continually invest in and develop our teams.

Our focus on building positive, passionate teams and investing in their career progression means we are an employer of choice for those looking for a rewarding career in care as well as, we hope, the first choice for people looking for care in their local community.
