About We Care Group

We understand that choosing the right home isn't easy. There's often so much to think about and decisions to make, that at times it can feel overwhelming.

We work hard to make sure our residents feel, safe, happy and secure. We want our home to be their home and our personalised approach focuses on providing every resident with privacy, independence, dignity and choice so, whether you are looking for short or longer-term care you can be assured of a true home from home; you or your loved one will become part of our family.

Life in our Home

Bilton Hall Care Home is a warm and welcoming home which specialises in providing nursing, residential or dementia care for up to 60 older people.

Set in beautiful grounds, in the lovely market town of Knaresborough, Bilton comprises of a 17th century Jacobean grade II listed building which has been substantially extended and converted; the last part of the building was added in 1980s. The entire property is set

within 7 acres of land in a rural setting with panoramic views across the Nidd valley.

It has some wonderful areas and features for residents to relax and enjoy the company of family and friends, including a large lounge area and dining room. There is a dementia friendly garden area, with vintage car and accessories which residents love.

Leading Happy and Fulfilled Lives

At Bilton Hall, we want residents to live happy and fulfilled lives. By getting to know residents, our dedicated activities coordinator offers an extensive programme of activities and events, providing sensory stimulation through group activities and one to one sessions, that meet their different passions and interests.

Dining with us

Mealtimes represent an important part of the day and a great social occasion. At Bilton Hall we work to ensure they are as enjoyable as possible, unhurried and relaxed, with everyone being given plenty of time to eat and enjoy their meal while chatting and enjoying the company of friends.

Our chef team use fresh ingredients, locally sourced wherever possible, to provide delicious, nutritionally balanced, seasonal meals.

Residents always have multiple options to choose from at all meal times and can opt for something different if they change their minds when the food arrives.

“Mum was admitted to the nursing home during the Covid-19 pandemic so it was difficult to assess things at first. Our experience when restrictions were lifted was that the staff were friendly, helpful and caring. Mum enjoyed the food and the social activities. Her room was always clean and when mum was diagnosed with end of life the nursing care was outstanding”

Our Commitment to our team

All of our team members are passionate about caring for others and making a difference. Putting others first is second nature to them; they love building close relationships with residents and putting themselves in their shoes so they can provide the best person-centred care possible.

Our people are qualified to deliver the highest standards of care and our tailored training programmes, together with the mentoring support we provide, allows us to continually invest in and develop our teams.

Our focus on building positive, passionate teams and investing in their career progression means we are an employer of choice for those looking for a rewarding career in care as well as, we hope, the first choice for people looking for care in their local community.
