## About We Care Group

We understand that choosing the right home isn't easy. There's often so much to think about and decisions to make, that at times it can feel overwhelming.

We work hard to make sure our residents feel, safe, happy and secure. We want our home to be their home and our personalised approach focuses on providing every resident with privacy, independence, dignity and choice so, whether you are looking for short or longer-term care you can be assured of a true home from home; you or your loved one will become part of our family.

### Life in our Home

Knowles Court Care Home specialises in providing nursing and residential care for older people as well as residential care for people living with dementia

The home, which is situated in a peaceful residential suburb of Holmewood in Bradford.

Knowles Court Care Home is split into smaller households so there is plenty of space for Residents to pursue their hobbies and interests.

The pretty landscaped sensory garden and patio is the perfect spot to spend time with friends and family, and is happily looked after by some of the home's Residents.

### Dining with us

Mealtimes represent an important part of the day and a great social occasion. At Knowles Court, we work to ensure they are as enjoyable as possible, unhurried and relaxed, with everyone being given plenty of time to eat and enjoy their meal, while chatting and enjoying the company of friends.

Our chef team use fresh ingredients, locally sourced wherever possible, to provide delicious, nutritionally balanced, seasonal meals. Residents always have multiple options to choose from at all meal times and can opt for something different if they change their minds when the food arrives.

## Leading Happy and Fulfilled Lives

At Knowles Court, we want residents to live happy and fulfilled lives. By getting to know residents, our dedicated activities coordinators offer an extensive programme of activities and events, providing sensory stimulation through group activities and one to one sessions, that meet their different passions and interests.

“ My father transferred into Knowles Court on 23rd March 2020 during lockdown, and we thought it would be a temporary placement as it is a 90-mile round trip for us to visit.

The activity programme is amazing, the thoughtful cards that are sent to my mum at Christmas, Easter, Valentine's day and Birthdays are just an example of the above and beyond care that is provided by the excellent staff. We are delighted we found Knowles Court.

### Our Commitment to our team

All of our team members are passionate about caring for others and making a difference. Putting others first is second nature to them; they love building close relationships with residents and putting themselves in their shoes so they can provide the best person-centred care possible.

Our people are qualified to deliver the highest standards of care and our tailored training programmes, together with the mentoring support we provide, allows us to continually invest in and develop our teams.

Our focus on building positive, passionate teams and investing in their career progression means we are an employer of choice for those looking for a rewarding career in care as well as, we hope, the first choice for people looking for care in their local community.
