

FAMILY | HONESTY | RESPECT

**Hollins Bank** Care Home

## Introducing We Care Group

We Care Group is an award-winning specialist care provider with a long-standing reputation for providing outstanding person-centred care across the North and Northwest of England. Our story is built upon a foundation of core values that weave through everything we do. Through our values of family, honesty and respect, we're committed to supporting our residents and their families, by delivering the highest standards of care, fostering a culture that actively encourages openness, transparency and compassion, supporting one another to achieve the best possible outcomes.

## About Hollins Bank

Hollins Bank Care Home provides residential, end-of-life, and respite care for up to 44 residents and is located less than a mile from the famous Golden Mile and a 9-minute drive from Lytham St Annes.

Care is delivered by our team of highly qualified, professional, and long-serving care staff, who offer unparalleled, person-centred care and ensure that our residents are safe, happy, and feel comfortable in the home at all times.

“Everyone here  
is really nice  
and can’t ever do  
enough for me.”

# Accommodation & Facilities

Hollins Bank's 44 single bedrooms are split over 2 floors. Each bedroom is designed to suit its occupant's needs, and residents can bring their own furnishings to make their rooms feel as homely as possible. The home has a spacious lounge and several areas for residents to relax and make new friends. Bathrooms are equipped to assist residents who need help with bathing, and each room is fitted with a nurse call system and smoke detector.

Mealtimes are an occasion at Hollins Bank, with multiple fresh home-cooked options served in the restaurant-style dining area. The well-maintained gardens feature flower beds and seating areas. All areas are wheelchair-accessible, and the home has X number of lifts.

We provide personal laundry, hairdressing, and person-centred services for all residents and also have regular visits from an optician, dentist, and chiropodist. There is also ample parking for visitors.

# Activities

We offer a wide range of activities that enable group involvement while meeting individual needs. The choice to participate in events and activities rests solely with each resident.

Every day is different, but activities include dominoes, reminiscence, arts and crafts, exercise classes, singalongs, race nights, pamper evenings, coffee mornings, and outings to local shops, markets, and local places of interest. We also enjoy visits from local entertainers, including choirs, singers, and groups.

## Why You Can Trust Us

**How We Rate** View our latest report at [www.cqc.org.uk](http://www.cqc.org.uk)

# Types of Care

## 24- Hour Residential Care

With 24-hour care, you or your loved ones will be supported by two carers who exchange shifts – one carer for the daytime and one at night. They respond to any urgent care needs and prevent accidents. You can be assured of the best care and enjoy a greater sense of security which may be a particular comfort if you live far away, or even in a different country, from your loved one.

## Respite Care

For those seeking extra care, either following a hospital stay, illness, or when regular care is unavailable, we offer respite care. This also allows you to see what life is like in our home and if it's that right place for you..

## End of Life Care

Our caring and empathetic teams provide highly sensitive and compassionate end-of-life care within our nursing homes, working with your loved one and their family, as well as their GP and other health professionals, to plan their care.

“Thank you for taking care of our dad over the years. The care and compassion provided was exemplary.”

## Funding

During a resident's stay, we understand that financial circumstances may change; most often due to personal funds depleting below the threshold for self-funded care. If you become eligible for local authority funding and that funding does not fully cover our fees, please be assured we will work with you to find a sustainable and compassionate solution.

This may involve exploring a third-party top-up arrangement, the local authority agreeing to pay an enhanced rate, or considering a change of room that aligns with available funding. Our priority is always your comfort, dignity, and continuity of care.

We are committed to offering a long-term home. We will never ask a resident to leave solely because of a transition from private to local authority funding, provided a collaborative solution is being pursued.
